

2019-2020 AFFILIATION

HOSA-FUTURE HEALTH PROFESSIONALS

MEET YOUR 2019-2020 EXECUTIVE COUNCIL

As the 2019-2020 school year begins, HOSA-Future Health Professionals looks to expand upon the success of last year's membership accomplishments.

In 2017-2018 HOSA achieved its 34th consecutive year of membership growth with a 6.1% increase in membership. When all of the members were accounted for, we had 231,186 future health professionals engaged.

Your President, Vivian Do, and the Executive Council have set a bold goal of reaching 250,000 members for the 2019-2020 school year... and we need your help to get there!

**WE THANK YOU FOR
ENCOURAGING
STUDENTS TO AFFILIATE
WITH HOSA AND JOINING
THE PIPELINE OF
FUTURE HEALTH
PROFESSIONALS.**

(L:R)

Kasey Canteli, Postsecondary/Collegiate Board Rep
Fanny Emeterio Ontiveros, Central Region Vice President
Jake Kelley, President-Elect
Vivian Do, President
Collin Kaster, Postsecondary/Collegiate Vice President
Amanda Gao, Secondary Board Rep
Dev Patel, Eastern Region Vice President
Hebah Tanveer, Western Region Vice President

AFFILIATION INSTRUCTIONS

STEP ONE

In order to use HOSA's Affiliation System, you must have your chapter's charter number and password. If you are a new chapter or you do not know your chapter's charter number or password, contact your state advisor or HOSA Headquarters.

STEP TWO

Go to the HOSA website at www.hosa.org and click on **Login** at the top right of the home page. Login as a Local Advisor using your charter number and password.

STEP THREE

From the main menu, be sure to review the affiliation instructions especially if you are unfamiliar with the online affiliation system. Click **Complete the Affiliation Application** to begin the chapter affiliation process. Ensure all chapter information is correct including the billing and demographic information. For returning HOSA members, you can re-affiliate these members without re-entering their information. For all new members, please enter the member's name, demographic, and contact information.

HOSA Headquarters 548 Silicon Drive, #101, Southlake, TX 76092.**

PURPOSE DEFINED

Over 11,525 health science students, advisors, health industry leaders, judges, and guests gathered at Disney's Coronado Springs Resort to compete, learn, network, and celebrate HOSA's 42nd Annual International Leadership Conference in Orlando, Florida, June 19-22, 2019 with HOSA members from across the United States, Canada, American Samoa and China!

Led by Sarah Fleischman, the 2018-2019 HOSA President, delegates took advantage of four exciting general sessions, 110 educational symposiums, over 75 exhibits from companies, universities, and nonprofit organizations, and two exhilarating speakers!

Dr. Steve Robbins addressed diversity and inclusion in his keynote at the opening session of HOSA's 42nd International Leadership Conference! And, the 20th U.S. Surgeon General, Dr. Jerome Adams provided remarks for HOSA's International Leadership Conference Recognition Session.

HOSA-Future Health Professionals inducted four new members into HOSA's Hall of Fame for extraordinary contributions and service and for serving as a pillar of strength to the organization by helping to develop future leaders of the health industry. The 2019 Hall of Fame inductees include:

- State Advisor: Dana Stringer, Alabama HOSA
- Local Advisor: Marguerite Bagwell, Alvin High School, Texas HOSA
- Alumni: Tahlia Gousse, NACCHO
- Partner: Rebecca McGrath, Cardinal Health

Over 10,000 competitors competed in one of HOSA's 71 health-related competitive events. These competitors won at their local, regional, state, and country competitions to earn their spot at HOSA's 2019 International Leadership Conference! This year's competitions featured 11 new events sponsored by National Geographic Learning Center Academic Testing for Future Health Professionals. A special congratulations to all of the award finalists and winners at this year's ILC!

2018-2020 HOSA SERVICE PROJECT

NATIONAL PEDIATRIC CANCER FOUNDATION

The 2018-2020 HOSA Service Project (selected by the 2018 Voting Delegates) is the **National Pediatric Cancer Foundation (NPCF)**. HOSA will work with NPCF for the next two years in raising funds and awareness for pediatric cancer. We are proud to be working with NPCF to help find the cure for cancer.

For more information on state and national recognition with NPCF, please visit hosa.org/serviceproject

A majority of cancer research focuses on adult treatments and is done within the walls of individual institutions. In contrast, NPCF funds clinical trials and collaborates with a network of cutting-edge hospitals across the nation to fast track less-toxic, more targeted treatments. All to increase the survival rate of children battling cancer.

For 26 years and counting, the NPCF has been the one shining light for children who are fighting cancer. NPCH has donated millions of dollars to research and our clinical trials are yielding amazing discoveries that are saving many children's lives.

2018-2019 HIGHLIGHTS

COMPETITIVE EVENTS

The 2019-2020 Competitive Events Guidelines will be posted on September 1, 2019. Guidelines will be posted at hosa.org/guidelines.

Be sure to stay up-to-date with all the latest topics, changes, and resources by reviewing the 2019-2020 CE Update at hosa.org/guidelines.

CERTIFICATES

Certificates for HOSA Membership, HOSA 100 Club, HOSA 100% Affiliation and HOSA Gold Chapters are available online. Download your certificate today at hosa.org/certificates.

VIDEO RESOURCES

HOSA is proud to share videos to be used for recruitment and motivation in your chapter. View HOSA's Video Library at hosa.org/video.

HOSA ALUMNI

HOSA members are encouraged to join as Alumni Members of HOSA before graduation! HOSA Alumni membership is completely free and features many benefits, including:

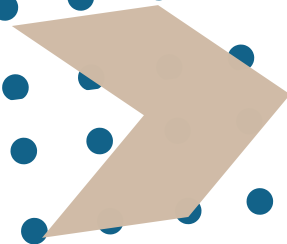

- Build a professional network
- Stay informed with HOSA's blog, social media, and newsletters
- Judge at regional, state and international leadership conferences
- Present workshops at conferences
- Serve as a mentor to current HOSA members

Become a HOSA member today at hosa.org/alumni.

GET SOCIAL

Be sure to follow @hosafhp on Facebook, Twitter, and Instagram! Tag #HOSA and share your #HOSAHappenings with us!

HOSA-FUTURE HEALTH PROFESSIONALS PATCH EXCHANGE PROGRAM

HOSA's "Patch Exchange Program" will take place until December 31, 2019!

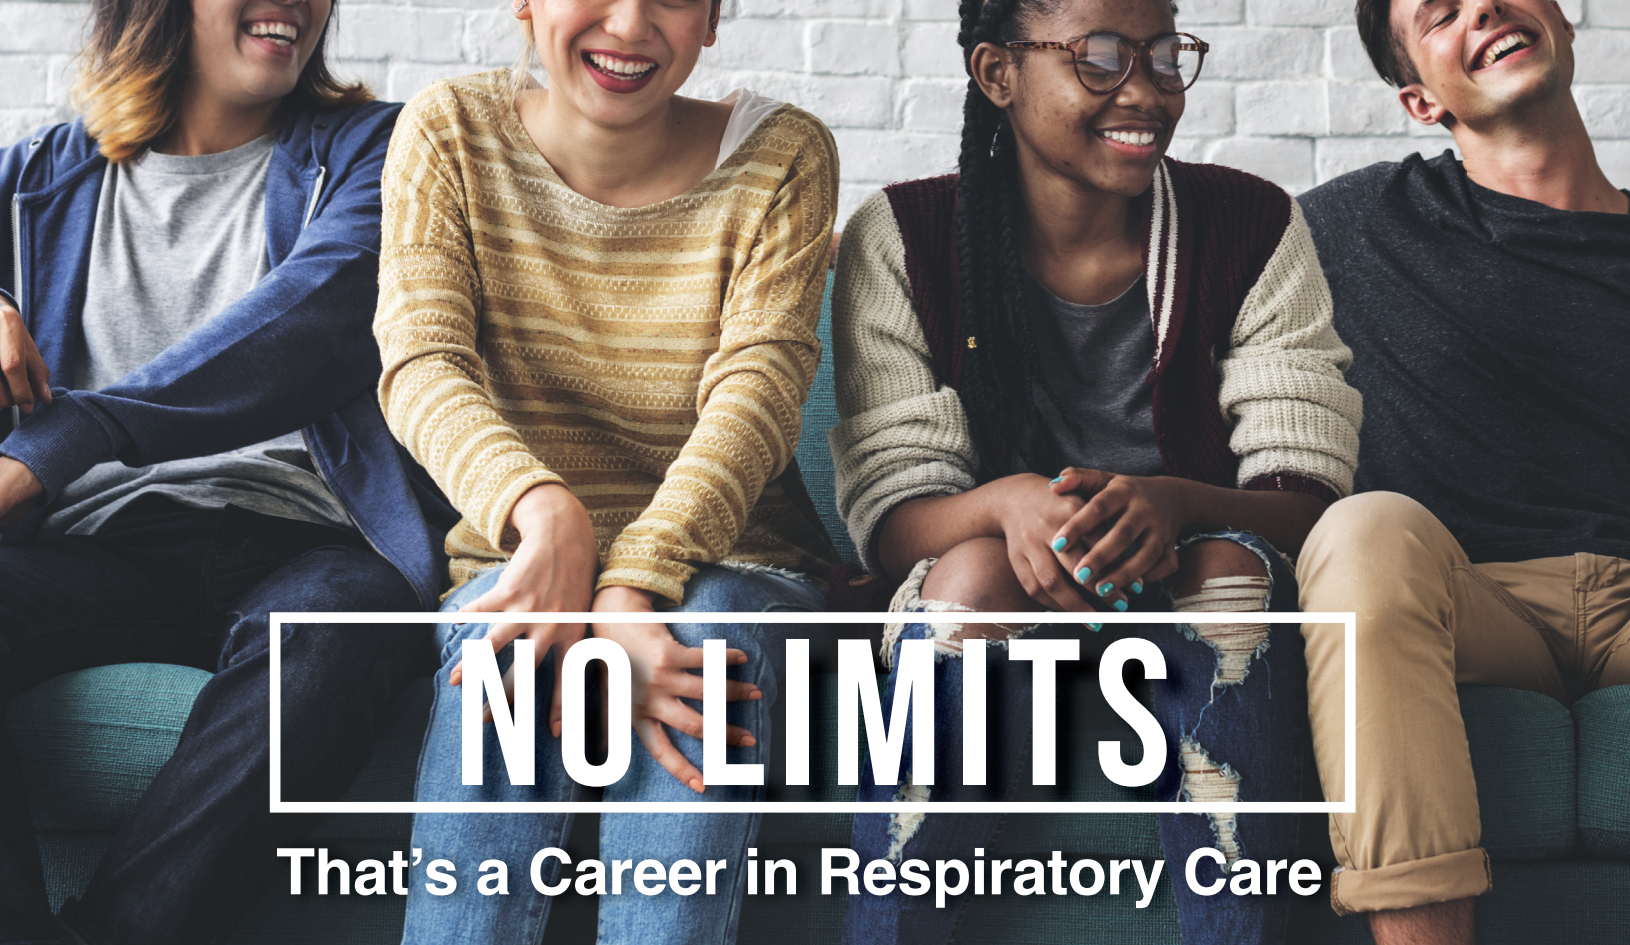

HOW THE PATCH EXCHANGE WORKS?

Until December 31, 2019, patches can be exchanged with HOSA Headquarters for \$1 per patch if they are mailed to HOSA-Future Health Professionals, 548 Silicon Drive, Suite 101, Southlake, TX 76092. You may purchase patches directly from Awards Unlimited, however, the cost is \$3.80 per patch.

Starting January 1, 2020, HOSA's new patch will be required to qualify on the blazer of an official HOSA Uniform. Patches can be purchased from Awards Unlimited for \$3.80.

Official HOSA blazers and other approved emblematic items are available at HOSA's official supplier: Awards Unlimited • 800.950.3553 • www.awardsunlimited.com

For more information go to hosa.org/patchexchange.

NO LIMITS

That's a Career in Respiratory Care

Career Stats for RTs

Faster than average job growth projected 23% 2016-2026*

Median annual wage \$60,280 in 2018*

Excel in a BS degree program as well as post-graduate

Earn additional specialty certifications

*According to the Bureau of Labor Statistics

One of the fastest growing careers in health care!

Do you want to leave your mark in the world and love science, technology or math? Then you should consider becoming a respiratory therapist! Complete an associate or BS degree and get prepared to excel as an 'RT' in a diverse and exciting work environment!

Work in exhilarating work environments:

- Patient's bedside, delivering hands-on assessment, care and education.
- Emergency rooms, providing life-saving assessments and interventions.
- Intensive care units, managing the critical care technologies (like ventilators) that support critically ill patients.
- Diagnostic laboratories, helping to diagnose, manage and educate patients with lung diseases.
- Newborn intensive care units, caring for premature babies whose lungs are still developing.
- Settings outside of the hospital, such as pulmonary rehabilitation, tobacco cessation programs, sleep laboratories, physician's offices, and in patients' homes.
- Transport programs, rescuing people in need from hospitals or accident scenes.

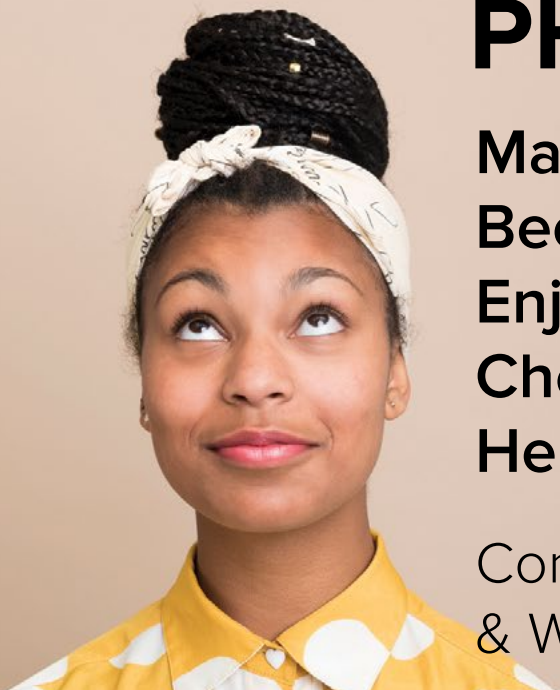

Visit www.aarc.org/careers/ for more career details or contact the American Association for Respiratory Care today!

Email info@aarc.org for more information!

EXPLORE A CAREER IN **PHYSICAL THERAPY!**

**Make a difference.
Become a movement expert.
Enjoy job security.
Choose your location.
Help improve lives.**

Consistently named one of US News & World Report's "Best Jobs"!

Physical therapists (PTs*) are MOVEMENT EXPERTS who diagnose and treat limitations to mobility that affect millions of people every day.

*PTs earn a doctoral degree in as little as 3 years after college.

Physical therapist assistants (PTAs**) work under the direction and supervision of a physical therapist to help patients achieve their goals.

**PTAs earn an associate's degree in as little as 2 years after high school.

MAKE AN IMPACT IN GLOBAL HEALTH

Why volunteer with us? Our impact is sustainable.

When you volunteer with one of our programs, you know your funds are promoting sustainable impact, empowering communities to resolve health and economic disparities. Our Holistic Model builds community ownership and executes programs with the end goal of sustainability.

Medical Brigades and Health Squads work together to seamlessly address health disparities with volunteers and experienced local staff.

WHICH PROGRAM WILL YOU JOIN?

FOR HIGH SCHOOL STUDENTS

Global Health Squads help resolve public health challenges in under-resourced communities in **Honduras, Guatemala, Panama, Costa Rica, Morocco, and Greece**. Teachers lead students on trips to create tangible impact, authentic student-to-student exchanges, and experiential cultural activities.

MOBILIZE A SQUAD!
www.squads.ngo

FOR COLLEGE STUDENTS

Global Medical Brigades is an international movement of students and medical professionals working alongside local communities and staff to implement sustainable health systems. We work in remote, rural, and under-resourced communities in **Honduras, Panama, and Ghana** who would otherwise have limited to no access to health care.

JOIN A BRIGADE!
www.medicalbrigades.org

GLOBAL HEALTH SQUADS

For High School Students

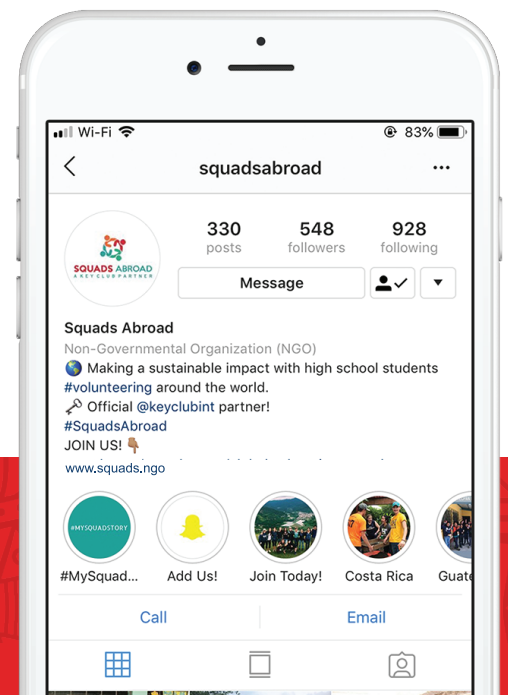

- DAY 1:** Arrival and Orientation
- DAY 2:** Introduction to Community and PH Project at School (PH project to continue throughout week with students rotating into them) and Sanitation Station Project.
- DAYS 3-5:** Child Health Clinic (Vision, Dental, and General Health Screening) or Health Fair for broader community (Panama)*
- DAY 6:** Sanitation Station Project and Culture Day
- DAY 7:** Departure

**Not available in all locations.*

GLOBAL MEDICAL BRIGADES

For University Students

- DAY 1:** Arrival and Orientation
- DAYS 2-4:** Mobile Medical Clinic (Shadow Doctor Consults, Health Screening, Health Workshops)
- DAY 5:** Water Project Construction
- DAY 6:** Public Health Project Construction
- DAY 7:** Departure

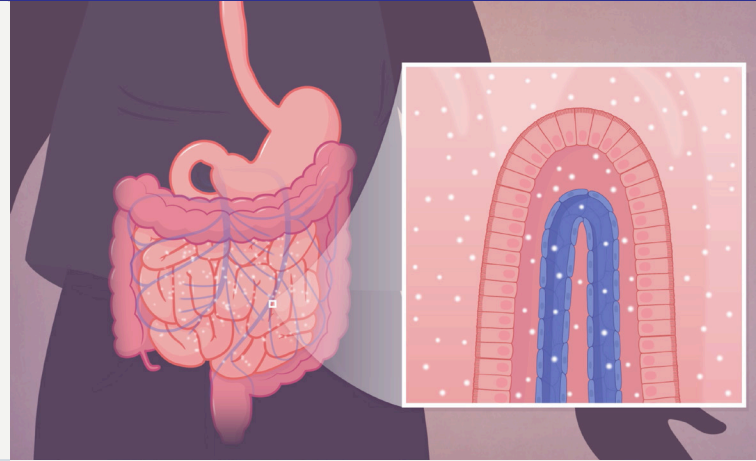

Learn Online with Harvard Medical School

LEADERSHIP & SERVICE INTERSECT FOR MEASURABLE CHANGE

- FREE leadership lessons for grades 6-12
- Student teams work through lessons and a service project
- Aligned with CTE standards and integrates into science class or chapter time
- Transform chapter time into student-led success
- Teams enter Lead4Change Challenge to win a grant—up to \$10,000 for your school or charity

NATIONAL ASSOCIATION OF PARLIAMENTARIANS

The National Association of Parliamentarians® (NAP) is the premier professional non-profit association of parliamentarians. NAP provides services and products to help its members and the general public learn how to effectively participate in and manage meetings of deliberative assemblies such as school boards, homeowners associations, church boards, and volunteer organizations. NAP also provides continuing education and accreditation for parliamentarians who provide professional services to these types of organizations.

National Association of Parliamentarians® is a proud partner of HOSA-Future Health Professionals. To order your parliamentary procedure resources, visit <http://bit.ly/hosaparlipro>.

National Technical Honor Society Partnership

We are excited to share with HOSA chapters that HOSA will continue its partnership with the National Technical Honor Society. In 2020, NTHS will award (7) \$1,000 scholarships to HOSA members who are also NTHS members.

NTHS Mission: To honor student achievement and leadership in career and technical education, promote educational excellence, award scholarships, and enhance career opportunities for the NTHS membership.

NTHS Vision: To be the international leader in providing recognition for excellence in career and technical education.

The leadership of **HOSA** and the **National Technical Honor Society** mutually agree that this partnership will accomplish the following objectives:

- Promote educational excellence in America.
- Encourage and reward higher scholastic achievement among the HOSA membership.
- Provide significant recognition for HOSA professional members who actively promote educational excellence at the national, state, and local levels.
- Offer extended services, benefits, and programs to HOSA and NTHS members and member schools.
- Provide HOSA and NTHS members with additional scholarship opportunities.

Establishing an NTHS Chapter: If your school or institution does not already have an established NTHS Chapter, we encourage you to begin one today. Any properly accredited, licensed school or college offering career or technical programs is eligible for a charter issued by NTHS. **There is no charter fee.** Visit www.nths.org for additional information on steps to start a Chapter. We have enclosed a membership form with the HOSA Logo so that the HOSA Scholarship fund will get the credit for the membership; **however, it is preferable you charter online.** On the application under "Referral", choose "Other" and type in "HOSA mailing".

Once your school has an NTHS Chapter, then submitting members is easy. The one-time fee is \$30 and students receive the following benefits:

- NTHS display portfolio, member certificate, online access to a general letter of recommendation for the student's portfolio, lapel pin, membership card, window decal, white graduation tassel and official NTHS diploma seal
- **Scholarship Opportunities**
- Online access to order three custom letters of recommendation for potential employers, school admissions, and scholarship committees.
- Discounts with GEICO and Office Depot/Office Max
- Opportunities to purchase official NTHS commencement accessories and logo gear.
- NTHS professional development opportunities.

Students are considered active members as long as they are enrolled in classes offered by their charter institution. Student candidates must meet national and local membership standards.

To find out if your school has a chapter or to get information about NTHS, please contact the National Office or visit the NTHS website at www.nths.org.

HOSA is excited about the opportunities available and encourages you to take advantage.

CHANGES ARE COMING!

Will Your Pharmacy Technician Students Be Eligible?

Attest that your curriculum includes PTCB-required knowledge and ensure your students are eligible to earn their nationally recognized pharmacy technician certification.

Being certified as a pharmacy technician (CPhT) is required in many pharmacy settings. PTCB is the country's leading certification program for pharmacy technicians and we are making important changes that affect your students.

Beginning in 2020, PTCB will require individuals to complete a PTCB-recognized education/training program or equivalent work experience to be eligible to apply for the PTCB Certified Pharmacy Technician (CPhT) credential.

Educators: Apply today!

to be a PTCB-Recognized Education/Training Program for the CPhT Program. The process to become recognized is easy and there is no cost.

attest.ptcb.org

STUDENTS: Are you looking for a healthcare career that advances patient safety?

PTCB Certified Pharmacy Technicians (CPhTs) provide essential support to patient care teams in a variety of practice settings. Beginning in 2020, students must either complete a PTCB-recognized education/training program or 500 work hours to be eligible to apply for their CPhT credential. Learn more at ptcb.org.

FIRST AID

Beaverton Oregon HOSA had sales of over \$20,000 and donated \$10,000 to awesome charitable causes.

What could your chapter do?

www.RightResponseFundraising.com

“EACH DAY IS **CHALLENGING.**
EACH DAY IS **DIFFERENT.**
EACH DAY IS **REWARDING...**”

Lieutenant Jamal Gwathney, Physician, U.S. Public Health Service Commissioned Corps

DO YOU HAVE WHAT IT TAKES?

It's unlike any other health career you'll ever find. Put on the uniform of a U.S. Public Health Service (USPHS) Commissioned Corps officer, and you'll join an elite team of professionals who protect, promote, and improve the health and safety of our nation.

From within our ranks as a physician, nurse, dentist, pharmacist, therapist, mental health provider, and other health care professionals, you'll support state-of-the-art health care to underserved populations, guard Americans from emerging diseases and other biological threats, respond to public health emergencies in the U.S. and abroad, and much more.

As you consider your future health career, ask yourself if you have what it takes to be an officer in the USPHS Commissioned Corps. Find out more about USPHS, mentoring, and other career opportunities at www.usphs.gov.

MAKE THE U.S. PUBLIC HEALTH SERVICE COMMISSIONED CORPS THE HIGHLIGHT OF YOUR CAREER.
