

### National Officer Candidate Selection

- National officer application comes from HOSA headquarters with ILC information— application on line
- Mirror state officer application to mirror national officer application and add what your state requires---this will get the students used to what is expected on the national officer application
- YouTube video
- Set early deadline for application to come to State Advisor—the application seems to be the most difficult part to get done so have a deadline 2 weeks or so after the applications are available
- Each state may have 2 SS & 2 PS/C candidates
- National officer candidates are “invited” to run by the State Advisor
- Fill out application -> State Advisor – edit – get signatures - & then send back to State Advisor for signature
- Criteria- (OK) must have been a state officer
- HOSA publishes engagement dates for National Officers to schedule as their time permits
- Travel alone! Schools must be aware of this (on application)
- Criteria – will they represent the state well
  - If in question, get documentation from many resources
  - Send message RE: Justification for non-support
- OK process shared : invitation to run for National Executive Council
- Distributed State Officer Selection Process
- ILC Regions & VD # -> helps decide how the candidates visit and find chapter with state delegates
