Nebraska HOSA Recognizes State Leaders and Award Winners

HOSA members gathered for the annual State Leadership Conference on March 8-10, 2026 at Creighton University in Omaha, Nebraska. Over 1,060 students and advisers from 51 Nebraska chapters attended the conference to grow their leadership skills, celebrate their accomplishments from the past year, and prepare for their future careers. Speakers at the opening session included Dr. Brian Maher, the Commissioner at the Nebraska Department of Education, and Dr. Jillian Krumbach, the Director of Undergraduate Nursing at Nebraska Methodist College. Gowthamm Mandala, the Postsecondary/Collegiate Board Representative of International HOSA, was the keynote speaker for the closing session. Gowthamm's message focused on the International HOSA theme, "Champions of Change." The 2025-2026 State Officer Team hosted the general sessions. Team members included: Lucyana Munoz (Scottsbluff), Gary Hao (Millard West), Vicky Wu (Papillion La Vista), Joelle Peatrowsky (Pathways 2 Tomorrow), Pranavi Prakash (Millard North), and Ridhvi Nayakwadi (Millard North).

Throughout the days of March 9 and 10, participants had the opportunity to attend over 60 hands-on breakout sessions where they heard from professionals in healthcare careers. Some of the sessions included Radiologic Technology and Imaging Sciences, Home Modifications 101: Occupational Therapy and Virtual Reality, Breathe In Your Future: A Look at Respiratory Therapy, and Public Health Storytelling to Combat Misinformation.

On Tuesday, March 10th, 30 businesses and organizations hosted booths in the Health Science Expo. Students met with potential employers, college representatives, and additional HOSA partners to learn about college, career, service, and volunteer opportunities.

The on-site service project was a blood drive in partnership with the Nebraska Community Blood Bank (NCBB). There were 38 registered donors, including 34 new donors with NCBB, and 24 total units were donated.

Nebraska HOSA recognized chapters that hosted blood drives and collected the most units of blood in their local communities throughout the year with the Hemoglobin Hero Award.

The chapter that collected the most units of blood and received the first place Hemoglobin Hero Award was Broken Bow High School; 2nd place went to Millard West High School; 3rd place went to Alliance High School.

Leading up to and during the State Leadership Conference, students participated in HOSA Competitive Events, Recognition Events, and Academic Testing Center exams. Fifty professionals volunteered their time over March 9 and 10 to judge competitive events. Students placing in the top three in their respective event qualified to compete in the HOSA International Event Competition, which will take place in Indianapolis, Indiana on June 17-20, 2026. Students placing 4th and 5th are alternates for the event.

#####

HOSA is an international student organization recognized by the U.S. Department of Education. Since its inception in 1976, HOSA has grown steadily reaching over 300,000 members. It has a two-fold mission - to promote career opportunities in the healthcare industry and to enhance the delivery of quality healthcare to all people. HOSA provides a unique program of leadership development, motivation, and recognition exclusively for secondary, postsecondary, adult, and collegiate students enrolled in health science education and biomedical science programs or have interests in pursuing careers in health professions.
